

Oregon ENT Center is searching for a **full-time Physician Assistant** to join our busy team! We are located in Medford, OR and have a thriving community that come to us for quality care.

While we are a bustling practice that serves all ages, our physicians are always willing to give the support and collaboration you need in clinic to thrive while you independently see your own patients. Plus, work-life balance is embedded in our culture as we want to ensure that you have plenty of time to rest and recharge with your loved ones so that you can properly care for your patients when you're at the office.

So if you are seeking to work with an established medical practice that actively promotes a positive work culture and has a history of longevity with its patients and staff, then we want to speak with you!

Job duties will include:

- Building rapport with patients of all ages and taking their case history.
- Administering medications, ordering and collecting specimens.
- Performing physical exams (microscopic exams, endoscopic exams and other).
- Documenting patient medical records appropriately.
- Reviewing and revising treatment and therapy plans.
- Assisting with arrangements for hospital admissions/discharges.
- Other duties as assigned by the physician, while ensuring compliance with all legal, regulatory, and clinical policies and procedures.
- Schedule: work 4 days a week with a full-time salary and benefits.

Qualified candidates will have:

- Board certification from the National Commission of Physician Assistants (NCCPA).
- Current PA licensure in Oregon or ability to obtain.
- Certification in Basic Cardiac Life Support (BCLS) *or* Advanced Cardiac Life Support (ACLS).
- ENT and allergy experience is highly preferred. On the job training is available.
- Surgery experience is highly preferred. On the job training is available.
- Excellent customer service, communication, and interpersonal skills that allow effective working relationships with a diverse customer, colleague, and vendor populations.

Benefits you will enjoy:

- Medical insurance – full coverage
- Dental insurance – full coverage
- Vision insurance – full coverage
- Life insurance
- Paid sick and vacation time off
- Paid holidays – guaranteed off!
- 401k retirement plan with company match
- Generous CEU allowance
- Licensure and certification reimbursement
- Relocation assistance
- Occasional team lunches and coffee outings
- And more!
